

# Dr Daniel Poling Visits Two N.T. Orphanages

---

Toddlers were at the gates of the Fanling Babies' Home to welcome Dr Daniel A. Poling, Director of the Christian Children's Fund and Editor-in-Chief of the Christian Herald, on his arrival there yesterday.

Dr Poling, accompanied by Mr T. N. Nash, Overseas Director of the Fund, and Mrs Nash, was received by Miss L. T. Clay, Superintendent of the Home, and with the youngsters was escorted around the nurseries, school and playground. The children gave a short entertainment in honour of the visit.

At the Faith Love Orphanage, which is sponsored by the Christian Herald, Dr Poling was welcomed by Mr S. K. Chiu, Superintendent and Mr S. C. Liu. During a two-hour visit he watched the children at work and at play, demonstrating their skill on roller-skates, hula hoops, tug-of-war and baseball. A puppet show was given by the young folk.
